E. Board Policies

1400 Availability of Policies of the Governing Board

The policies adopted by the Governing Board for the District will be written to be consistent with the provisions of the law, but generally will not incorporate the same. All employees will be expected to know and will be held responsible for observing all provisions of law pertinent to their activities as employees of the District.

The Superintendent/President will make available, on request, a copy of the policies and procedures. In lieu of the distribution of the complete manual, the Superintendent/President may prepare a special edition for any specific group of employees and omit there from those policies, which do not have a direct bearing upon the activities of that group of employees; however, a copy of the complete manual will be accessible to them. Copies of the policies and procedures will be on file in the Office of the Secretary to the Board, in the Library of the College, and in each major administrative center.
