E. Board Policies

1410 Policy Revisions Required by Law

Should a statute or Administrative Code section of the State of California be added, repealed or amended, or should a court decision be issued which affects any of the policies of the Governing Board, or the Administrative Procedures of this District, the policies and procedures shall be considered to be automatically amended to comply.

The Board shall be notified of these changes and their effect on the District.

Formerly Governing Board Policy 2.5.

Adopted: April 13, 1988.
