The Governing Board of Monterey Peninsula College recognizes that the purpose of student employment is to provide an opportunity for students to obtain part-time and summer employment while attending Monterey Peninsula College. The services of the Student Employment Office will include the processing of notices of employment for all work study and on-campus student employees, job recruitment and job development related to jobs for students, providing a liaison with the Employment Development Department and maintaining a listing of on-campus and off-campus jobs available for Monterey Peninsula College students.

Adopted: December 14, 1988.
