SCHEDULE CHANGES

Adds and/or Drops can be made by WebReg or in-person during registration hours.

If changes are not made by January 29, students must wait until the Late Registration period, attend class, request an add code from the instructor and use WebReg to register, or request the instructor's signature and return to the Admissions and Records Office to register.

A refund processing fee of \$10.00 will be withheld from the Enrollment Fee for courses dropped that have not been canceled by the College. Financial Aid Information

WHAT IS FINANCIAL AID?

Financial Aid is the money you receive from federal, state and local programs to help you meet the expenses (books, Enrollment Fee, food, rent, and transportation) of a college education. Financial aid provides assistance to students who would be unable to attend college without such help. **THE PRIMARY RESPONSIBILITY FOR PAYING COLLEGE COSTS RESTS WITH YOU AND YOUR PARENTS.** Financial aid can help fill the gap between what you and your family can pay and the cost of your education. There are two basic types of financial aid which do not involve repayment: grants and work-study employment. In addition, there is the Direct Loan Program which is money that is repaid after you leave school.

WHO IS ELIGIBLE?

You do not need to be from a low-income family to qualify for financial aid but you must demonstrate financial need. Your financial need is the difference between what it costs you to attend college and what you or your family are expected to contribute toward your education. Do not disqualify yourself by not applying for financial aid. If you think you will need financial aid to attend college, **APPLY NOW!** For further information please call (831) 646-4030.

HOW DO I APPLY?

To be considered for financial aid, you will need to complete the electronic version of the Free Application for Federal Student Aid (FAFSA) as soon as possible. File electronically by going to www.fafsa.gov Student Financial Services will notify you of any additional documents required to complete your financial aid file. For further information, please e-mail Student Financial Services at financialaid@mpc.edu

WHAT ARE THE GENERAL ELIGIBILITY REQUIREMENTS?

In order to be eligible for federal, state, and institutional financial aid programs, a student must meet the following requirements:

- Must be accepted for admission and enrolled as a regular student in an eligible academic program.
- Must have a High School Diploma or the equivalent (GED), pass an approved "Ability to Benefit" test, or complete 6 transferable course units.

- Must be making satisfactory academic progress (SAP), whether or not you received financial aid the previous semester.

- Must be a U.S. Citizen or eligible non-citizen with a valid Social Security Number.
- Must be in compliance with Selective Service Registration Requirements.
- Must have resolved any drug conviction issues.
- Must not be in default on any Federal Loan Program or in repayment of any Federal Grant Programs.
- Must demonstrate financial need for most need-based financial aid programs.

WHAT IS FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS?

In order to show financial aid satisfactory academic progress during a given semester, you must: 1) earn semester and cumulative grade point averages of at least 2.0 ("C" average); 2) complete 67% of the units you attempt, both semester and cumulative; and 3) complete your degree or certificate within 90 attempted units or 150% of the units required for graduation for those programs that require more than 60 units for graduation.

WHAT ARE MY RESPONSIBILITIES AS A STUDENT RECEIVING FINANCIAL AID?

As a student receiving financial aid, you are required to:

- (1) sign up for an MPC email;
- (2) complete an online orientation (<http://www.mpc.edu/financialaid>) regarding the responsibilities of receiving financial aid;
- (3) notify Student Financial Services of any change in your address, name, marital status, Social Security number or income;
- (4) respond immediately to all correspondence sent to you by the Student Financial Services office, or the Federal Student Aid Programs; and
- (5) maintain satisfactory academic progress.

WHEN WILL I KNOW IF I QUALIFY FOR FINANCIAL AID?

Once you have completed the financial aid application process, your eligibility for the various financial aid programs will be determined. If you are eligible to receive financial aid, Student Financial Services will email you a financial aid award letter to your MPC email account. The award letter will inform you of the amount and type of financial aid you will be eligible to receive, how your financial need was computed, the dates checks will be issued and the conditions you must satisfy to receive the

financial assistance you have been offered. If you are not eligible to receive financial aid, Student Financial Services will notify you.

WHAT IS THE DEADLINE TO APPLY FOR FALL FINANCIAL AID?

What you **must** do for Spring financial aid:

- **Sign up for your MPC e-mail account!**
- Register for your classes and have the following information completed before January 18, 2012. There will be no adjustment for your financial aid award once your money has been disbursed.
- Complete your California Board of Governors fee Waiver (BOGFW) application **before** you register for your classes.
- Complete the 2011-12 FAFSA application as soon as possible after January 1, 2012 at www.fafsa.gov

WHAT ABOUT FEE WAIVERS?

Board of Governors (BOG) Fee Waiver:

This California-funded fee waiver program assists students who are classified as California residents with the mandatory Enrollment Fee. The BOG Fee Waiver program does not assist students who are not California residents.

Contact Student Financial Services for the Free Application for Federal Student Financial Aid (FAFSA) and any additional information.

Residency Requirements

CALIFORNIA RESIDENTS:

Information below applies to U.S. citizens and students on Permanent Resident Visas. You may be asked to submit documentation to verify California residence.

Resident student classification for educational purposes shall be given to students 19 years of age or older who have resided in California for at least one year and one day prior to the beginning of the semester/session, and have "manifested the intent" to make California their residence one year and one day prior to the beginning of the semester/session. "Manifested the intent" means having the supportive documentation indicating the intention to make California one's state of legal residence. This is normally done by filing state income tax forms as a resident, by voting as a resident, and NOT possessing documents contradicting California residence.

If a student is under 19 years of age and the student's parents or legal guardian meet the conditions listed above, the student may qualify as a California resident.

Upon completion of the U.S. Military Dependent Residence Statement, dependents of active duty U.S. military personnel, excluding National Guard, assigned to California may be exempt from nonresident tuition for the duration of the U.S. active duty person's assignment to California. The form must be completed each semester/session of enrollment and is found on our web site.

Students who attended high school in California for a minimum of three years and graduated from a California high school (GED, CA Proficiency) may be exempt from payment of nonresident tuition upon completion of the California Nonresident Tuition Exemption Request form. This form is located on our web site.

NONRESIDENTS:

Students not meeting the California residency requirement, including international students and students possessing visas which preclude them from establishing California residence, will be classified as "nonresidents" and are subject to nonresident tuition.

NOTE: Nonresident status is not changed automatically.

Students previously classified as nonresidents must complete a "Request to be Classified as a

California Resident" form if now requesting California resident status. This form, available on our web site, with required documentation, must be submitted to the Admissions and Records Office before registering.

SCHEDULE CHANGES

ADDING CLASSES

Adding classes may be done using WebReg or in person during the late registration period outlined on our web site and in this schedule of classes.

Students who begin a class on or after the census date for a class (February 13 for semester-length courses or 20% of short courses) will not be permitted to enroll. Beginning the first day of classes, an add code number or the instructor's signature is required to register into all courses with a start date on or before February 10. Classes with a start date later than February 10 may be added, the day before the course begins, without the instructor's signature, if the class is open. Students must register within the first two weeks of class.

ADD CODES

After regular registration ends (January 29), students must go to the class and get permission from the instructor to add a class.

If admitting students, instructor will give the student a 4-digit add code that will allow the student to add the course during the Late Registration period using WebReg or at the Admissions and Records Office.

Students who were enrolled Fall 2011 and did not attend as a 6th-12th grade student and students who have submitted their Application for Admission for Spring are permitted, if eligible, to register using WebReg the first two weeks of the semester.

Beginning Tuesday, February 21, students who have been attending a class from the start of the course must petition the Academic Council for permission to add courses after the official advertised Late Registration period. Petitions are available at the Admissions and Records Office.

DROPPING CLASSES

It is the student's responsibility to drop courses.

Never assume that your instructor will automatically drop you if you do not attend. It is the student's responsibility to know the attendance policy for each course in which enrolled.

Students may use WebReg to drop courses or students may submit an Add/Drop Form to the Admissions and Records Office by the appropriate deadline.

If courses are dropped by the appropriate deadline and the student is eligible for a refund, an Application for Refund Form must be completed and submitted to the Admissions and Records Office by the end of Spring semester. Refunds for non-canceled courses will be charged a \$10.00 processing fee.

THE LAST DATE TO WITHDRAW FROM SEMESTER-LENGTH COURSES IS MAY 3 OR WITHIN 60% OF COURSES LESS THAN SEMESTER-LENGTH.

Students who drop courses during the first 25% of a course will receive "No Grade of Record." Students who drop courses within the 25%-60% time frame of a class will receive a grade of "W" (withdrawal). Any student who stops attending a course without officially dropping may receive an unsatisfactory grade.

(Any student who anticipates using Veteran's Education Benefits while attending Monterey Peninsula College)

Students must make an appointment with a counselor to have a VA Education Plan completed before certification will be sent to the Veterans Administration.

Students must then have a counselor complete a VA Education Plan documenting units completed and courses needed to complete the educational goal. Students will not be certified a second time without this plan. Please note that because of the need for accuracy, counselors will only complete VA Education Plans during their scheduled half-hour appointments.

During the first week of each semester, students using Veteran's Assistance will be seen only on a drop-in basis. After the first week, students using Veteran's Assistance will be seen by appointment. Appointments may be made at the Counseling Department or by telephone at (831) 646-4020.

**Matriculation
Information**

**THE CALIFORNIA STATE
MATRICULATION PLAN**

Monterey Peninsula College participates in the California State Matriculation Plan which brings the college and a student planning to transfer or obtain a degree or certificate into an agreement for the purpose of realizing the student's educational objective.

There are six important steps (STEP Program) to take before beginning course work at Monterey Peninsula College. The completion of these steps will speed up the enrollment process and greatly enhance chances for educational success.

The college encourages all new students (credit and non-credit) to participate in the STEP program; however, some students may be exempt from various steps in the program (see below).

Disabled students needing special accommodations for any parts of the STEP Program should contact Supportive Services and Instruction to make arrangements, telephone (831) 646-4070. TDD users should telephone (831) 646-4068.

A student may file a written complaint if it is felt that assessment, planning sessions, counseling, or any other matriculation procedure is being applied in a discriminatory manner. For additional information regarding the complaint procedures, contact the Dean of Student Services, at (831) 645-1377.

MATRICULATION EXEMPTION POLICY

Students may be exempt from assessment, orientation, or counseling/advisement if they attended another college, or meet one of the exemption criteria listed in the college catalog. Students, however, may not be exempt from the admissions or follow-up components. Students who do not meet approved matriculation exemption criteria, but choose to be exempt from all or part of the matriculation components, may do so by completing a waiver form available from the Counseling Department.

Prerequisite/Co-Requisite Challenge Options and Procedures

GENERAL INFORMATION

Note: Challenge process must be filed by the last day of regular late registration (February 3).

Monterey Peninsula College is required by the State of California to enforce course prerequisites. We believe completing prerequisites before enrolling in higher-level courses will ensure your success as a student. If you have taken the prerequisite at another school or at MPC before Fall 1995, you must complete the "PREREQUISITE VERIFICATION FORM." You will need to present transcripts or grade reports from other colleges to verify completion of the prerequisite. Satisfactory completion means that you received a grade of "C" or better in each course. If you do not have such transcripts or grade reports, see the challenge options below. If you wish to challenge the prerequisite, you must file a "PREREQUISITE CHALLENGE FORM" with the Division in which the course belongs.

- **Mathematics:** Contact the Physical Science Division Office.
- Contact the Humanities Division Office for challenges in the following departments. Challenge exams will be given on one of the following dates:
 - English:** Thursday, January 19, 3pm, HU101; and Friday, January 20, 9am, HU101.
 - World Languages:** Monday, January 23, 3-5pm, BH101; and Tuesday, January 24, 3-5pm, BH101.

CHALLENGE OPTIONS

You may challenge the prerequisite for a course you wish to enter by choosing one of the following options:

OPTION 1: Prerequisite course not available.

You believe the prerequisite course was not made reasonably available. The Division Chair or Academic Affairs Vice President designee will determine whether the required course was reasonably available.

OPTION 2: Prerequisite not established in accordance with district's process for establishing prerequisite.

You believe the prerequisite is not valid because it is not necessary for success in the course for which it is required.

The faculty of the department and the college's Curriculum Advisory Committee have considered and approved the prerequisites. A designee for the Academic Affairs Vice President will determine whether the required course is necessary for success in the target course.

OPTION 3: Prerequisite is discriminatory.

You believe the prerequisite is discriminatory or is applied in a discriminatory manner. The Academic Council will review the evidence submitted.

OPTION 4: Knowledge or ability to succeed.

You believe you can succeed in the course without meeting the prerequisite based on knowledge or ability gained outside of the classroom. The challenge (and documentation) will be reviewed by the appropriate department.
