---

### Welcome!

The Scholarship Program at Monterey Peninsula College provides supplemental monies to a cross-section of the student population.

The Monterey Peninsula College's Scholarship Program has succeeded due to the generosity of numerous local and nationwide donors that are listed in this booklet. Their commitment to educational growth and academic achievement is demonstrated by their financial contributions. Along with our current and future students who will benefit from such benevolence, we thank all the donors for their time and financial investment.

It is our sincere hope, that the publication of this Scholarship Booklet will be helpful to you in your efforts to accomplish your educational and career goals.

On behalf of the Monterey Peninsula College Scholarship Program, we wish you much success. Please join us on Wednesday, May 11, 2011 at the Scholarship Awards Reception, which honors scholarship recipients and donors.

# Application Procedures and Guidelines

Each applicant is responsible for **carefully reading** the scholarship requirements and submitting all the materials indicated.

Determine whether or not the scholarship requires the **Master Scholarship Application** and/or the **donor's specific application**. All donor applications can be obtained from the donor or the Student Financial Services Office.

The **Master Scholarship Application must be completed online**. **Please printout a copy of your online scholarship application, sign and date it, and submit the copy to the Student Financial Services Office.** Remember to check for misspellings and grammatical errors. **The application deadline is March 14, 2011.**

Submit your **Essay(s)**, preferably one page long, that addresses your area of study, financial need, long and short term educational goals, and any additional information you may want the scholarship committee to consider. Please make sure your name and student identification number are on your essay(s). Your essay(s) must be sent as e-mail attachment(s) to Patricia Chapman at **pchapman@mpc.edu**.

**Two letters** of recommendation are required for the Master Scholarship Application or you may have recommendation forms completed. Recommendation forms can be found online. Your recommendations should come from faculty members, academic counselors, or individuals who can speak about your personal characteristics, motivation, and your potential in your major. Recommendations from MPC faculty and staff must be sent as e-mail attachments to Patricia Chapman at **pchapman@mpc.edu**. **MPC faculty and staff must use their MPC e-mail account only.** Because the authenticity of e-mails sent in from off campus can not be verified, recommendation letters or forms coming from off campus, must be submitted directly to the Student Financial Services Office in a sealed envelope.

**Official transcripts** from Monterey Peninsula College and other colleges/ universities must be submitted separately to the Student Financial Services Office by the scholarship deadline. Please allow adequate time for transcripts to be processed. All transcripts can be mailed to: Monterey Peninsula College, Student Financial Services Office, Attn: Scholarship Coordinator, 980 Fremont Street, Monterey, CA 93940.

**Incomplete scholarship forms** will not be forwarded to donors or the scholarship committee. Please make sure your scholarship forms are complete. **(Financial aid employees are not responsible for incomplete forms. If you have any questions, please speak with Patricia Chapman, Program Coordinator, in the Student Financial Services Office.)**

### **How will I know I have been selected for a scholarship?**
