## MPC Foundation

### **Our Mission Statement**

The mission of the Monterey Peninsula College Foundation is to advance the educational experience of students and faculty of Monterey Peninsula College by raising funds for student scholarships, instructional and library materials, faculty awards, facilities improvements and academic programs. The Foundation encourages lifelong learning and the concept that education is the means by which people may reach their full potential. The MPC Foundation is independent of the Monterey Peninsula Community College District and the funds it raises supplement and do not replace tax dollars.

### **About the Foundation**

The Monterey Peninsula College Foundation endeavors to support the academic excellence of Monterey Peninsula College faculty and students through grants, fundraising and public campaigns promoting rigorous study and independent thinking. The foundation raises its money through the generous support of the community and works to build strong, sustainable relationships with donors and residents to maintain the viability of the college and the students it serves.

A volunteer board of directors, who represent the best interests of the college, oversees the work of the Foundation. The Foundation is qualified to receive gifts or bequests of financial assets, real estate, art, and other donations. Founded in 1994, the MPC Foundation is a 501(c)3 nonprofit organization.
