

Student Services Program Review – Annual Report Form

Date:

Student Services Program:

Prepared By:

Address each area in the Annual Report Form completely. Use extra pages if necessary. Attach Action Plans that support the program goal, objectives and priorities.

1. Identify all progress towards your goals and/or annual objectives as stated in the last formal Program Review and/or Annual Update report.

2. Describe progress made toward the assessment of your Student Learning Outcomes.

3. Identify any new challenges and/or opportunities, based on planning assumption or trends, that have emerged since the last report. Please include any applicable data as an attachment.

4. Attach current Action Plans reflecting the activities that support your program goals and/or annual objectives.

5. Please provide an applicable program data or budget information as an appendix to this document.
