MULTILINGUAL MPC:
**Directory of Campus
Language Ambassadors**

May, 2003

To: MPC Faculty and Staff
**From: Nancy J. Predham, Counselor, International Student
Advisor; and Elizabeth L. Cipres, Dean, Enrollment
Services**
Date: Spring 2003
**Subject: Multilingual MPC: Directory OF Campus Language
Ambassadors**

Welcome to the first edition of MPC Multilingual: Directory of Campus Language Ambassadors! This directory lists members of the MPC community who are available, on an occasional, as-needed basis, to provide first-contact communication with non-English, limited-English and hearing-impaired speakers who inquire about MPC's programs and services. Please contact the individual linguists as to availability; interpretation/translation preferences; and any restrictions.

We gratefully acknowledge our directory participants. Additionally, we recognize those indispensable MPC staff members whose bilingual expertise is an intrinsic, daily component to their positions. This directory is a complementary campus resource, and not a substitution for, the dedicated service of our professionals in bilingual positions. Thank you all for sharing your voices...for being MPC Language Ambassadors!

If you need additional copies of this directory you may contact Nancy Predham at (831) 645-1358 or via email at npredham@mpc.edu or you may also access this on the MPC intranet.
