5410 Posting of Vacancies

Personnel Services shall send notices to the employee's work site of any vacant classified positions. This notice shall normally be distributed one week in advance of outside recruitment and shall be for the purpose of allowing employees additional time for position inquiry and for application material preparation.

Posting of vacancies may also be prescribed in the collective bargaining agreement, in which case the posting shall comply with the agreement's terms

Adopted: May 10, 1989.
