Welcome to Pacific Gas and Electric Company's NonResidential Retrofit-Demand Response (NRR-DR) Program. This email acknowledges receipt of the Customized Energy Efficiency Incentive Application for Monterey Peninsula College / Server Virtualization. The PG&E team assigned to assist you with your project is as follows:

Program Manager: Dave Hather, dth2@pge.com

It is important to be aware that you should not remove any existing equipment or install any measures that you are applying to receive incentives for until you have received the Application Approval (Project Application acceptance email/letter and Agreement or other written approval from PG&E).

We look forward to serving you in the coming months. Should you have any questions, please contact your assigned PG&E Representative.

Thank you for your interest and commitment to energy efficiency.
