

HOW TO READ THIS LIST

The table below corresponds with the table on p. 57-59 of the 2015-2016 catalog. Program awards include:

- *Certificate of Completion
- *Certificate of Training (this is a local certificate only)
- *Certificate of Achievement
- *AA/AS degree (aka, the local "MPC Degree" -- corresponds with MPC GE Pattern)
- *AA/AS (Transfer Preparation -- corresponds with IGETC or CSU GE Pattern)
- *Associate Degree for Transfer (aka, ADT, SB1440 degree)

The percentages in the table represent courses listed in the catalog for each award. They include both required courses and electives. The percentages do NOT include GE patterns (as of 9/3/15); including GE patterns will be a future step. Course Assessment data is current as of 8/30/2015.

In the Aug. 2015 letter from ACCJC, we were asked to identify programs in which 40% or more of included courses have NOT been assessed. These program areas are marked in red, below. A note about reading the numbers: lower numbers are better. (Think golf scores, not bowling scores.)

Program areas shaded in orange below have at least one course that has not been offered since Fall 2013.
