 - Evidence of hard work, challenging oneself

 - None of this information will be used to determine residency or financial aid

THE APPLICATION – ACADEMIC HISTORY SECTION

- Academic history **MUST** be accurately reported
 - **Must** include every college and university ever attended and every class taken, even if it is not transferable

 - Courses that are not transferable or were taken at a school that is not a California Community College will need to be entered manually
- Use the “Additional Comments” box in the Academic History section to provide detailed information or explanations about specific academic issues (declining grades, class availability issues, etc.)

I DON'T SEE MY CLASS LISTED – DO I NEED TO ENTER IT?

- You are required to enter every single course you have ever taken at a college or university. The academic history section needs to look identical to your transcripts
- If your course is not listed in the drop down menu, that means it is either not UC transferable, or, it is not formally articulated with the UC system
 - But you still have to enter that course!
- Manually enter the course by clicking “My Course is not listed here – add it”

SUBJ	CRS#	UTS	CERT ¹	UC AREA ²	COURSE TITLE

[My Course is not listed here - add it](#)

Please be sure you have done a thorough search before adding!

UC GRADING SYSTEM

- As much as possible, choose grades that are identical to those on your transcript
- If you have repeated a course, enter in the grades earned at each attempt. The application will recognize it is a repeated course and will not calculate the first grade into your GPA
- If you have filed for Academic Renewal, report those grades as “AR”
 - UC considers academic renewal to be a very good idea for students who have a viable reason for using it.
 - **UC expects the student to explain why academic renewal was needed and how the student overcame the difficulties that led to it in the “Additional Comments” section**

GAPS IN EDUCATION

- You will be prompted to explain any gap (one semester or more) in educational history
- You must be honest!
- Common reasons include:
 - Needed to work
 - Needed to care for family
- UC's reason for asking: To make sure applicants do not hide failing grades from another institution

GAPS IN EDUCATION

- What if you did not have a gap, but are being prompted to explain a gap in educational history?
 - You likely misreported a semester. Review the dates you entered for high school and college to ensure they are all correct.
 - Make sure you indicated you will attend Monterey Peninsula College (or another school) until May/June 2019. Include in progress courses for Fall 2018 and planned courses for Spring 2019.

COURSES NOT TAKEN AT A CALIFORNIA COMMUNITY COLLEGE

- For any course(s) not taken at a California Community College, make sure you have met with a Counselor to discuss how likely the courses will be accepted by a UC
 - Do what you can to make sure you will meet the minimum eligibility criteria for the UC system.
- Regardless of whether or not you think a UC campus will accept the course for credit, you **MUST** include it on your UC application

THE APPLICATION – ACTIVITIES / AWARDS

- Record activities and awards after high school.
 - Unless they are activities that you continued participating in after high school and through junior college.
- Do not abbreviate club names or awards. Spell them out and explain your level of involvement.
- Do not list the same activity in multiple areas.
- Be sure to record the most important awards and activities.
- If you do not have many awards or activities due to other obligations (work, family, etc.) explain this in your personal statement.
- Use a worksheet to prepare:
<http://admission.universityofcalifornia.edu/counselors/files/apply-online-transfer.pdf>

THE APPLICATION – ACTIVITIES / AWARDS

- There are five categories with five entries each:
 - Educational Preparation Programs (like Trio, EOPS, etc.)
 - Community Service (more consideration given to consistent service over time)
 - Work Experience (if you have it, include it! Shows time management and responsibility)
 - Awards & Honors (provide context if not a well known prize)
 - Extra Curricular Activities (more consideration given to consistent participation over time)
- Choose up to five of your most meaningful experiences for each category.

THE APPLICATION

- **Honesty is the best policy!!**
- Do not falsify any information on your application. The UC system does verify the information you put on your application. If you are unable to provide proof of something you reported, your application may be canceled.

SCHOLARSHIPS

- You may select up to 16 scholarship that match your interests, characteristics, and background.
 - Use all 16!!
- Be sure to follow up in December and research additional scholarship opportunities with the campuses you applied to
