AP 7121 Recruitment and Hiring: Administrators and Managers

INTRODUCTION

A. Philosophy

It is the philosophy of the Monterey Peninsula Community College District that administrative hiring procedures and guidelines be established, which provide for highly qualified individuals for both educational and classified administrators and managers who are knowledgeable in their professional areas, who are skilled in managing and directing administrative functions or academic programs, and who can foster overall college effectiveness.

B. Superintendent/President Selection

In the case of a Superintendent/President vacancy or notification of a vacancy, the Board shall establish a search process to fill the vacancy. The process shall comply with relevant federal and statewide regulations.

C. Selection of Employees except for the Superintendent/President

Board Policy 7120 Recruitment and Hiring directs the Superintendent/President to establish procedures for the recruitment and selection of employees in accordance with the Equal Employment Opportunity (EEO) Plan and the California Code of Regulations for minimum qualifications.

D. General Principles

The following principles shall guide all activities related to the recruitment and search of employees:

1. The Monterey Peninsula Community College District is committed to providing full, objective, and equal access to its recruitment and search process for all applicants, regardless of race, color, religion, gender, gender identity, gender expression, national origin, ancestry, disability, age, sexual orientation, marital status, military/veteran status, or the perception of one or more of these characteristics. The District is an Equal Opportunity Employer that fully respects and values the richness that inclusion of diversity brings. The District strives to achieve a workforce that is welcoming to all individuals to ensure an inclusive education and employment environment, which fosters cooperation, acceptance, democracy, and free expression of speech.

ADMINISTRATIVE PROCEDURES

2. The Board of Trustees, administrators, managers, faculty, and classified staff share the responsibility for assuring equal opportunity practices throughout the recruitment and search process.
3. The District actively seeks applicants who demonstrate the required technical expertise, preparedness, competence, respect, and sensitivity that will enable them to effectively work in a multi-cultural, multi-lingual educational environment.
4. Hiring decisions shall comply with federal and state laws and regulations and the District commitment to equal opportunity, fairness, inclusion, respect of all candidates, and objectivity throughout the search process.

I. IDENTIFICATION OF VACANT POSITIONS

The Superintendent/President or designee is responsible for identifying and recommending administrative positions to be filled, through use of a thoughtful and well defined planning process. The Governing Board approves the hiring of all administrative positions.

II. DEVELOPMENT OF THE JOB ANNOUNCEMENT

The job announcement will be developed by the appropriate Committee Chair in consultation with the Search Committee. The Committee Chair is the immediate supervisor of the vacant position unless otherwise designated by the Superintendent/President. The job announcement shall be forwarded to the Office of Human Resources for review. The Chief Human Resources Officer, as the District's EEO Officer, may recommend changes in the announcement draft to assure equal opportunity. The recommendations will be discussed with the Committee Chair.

Following a review of the document to assure overall compliance with legal standards, a final draft job announcement shall be prepared. The final document will be forwarded to the Committee Chair for a final review, and any substantive changes will be noted. The Committee Chair will notify the Office of Human Resources of any additional changes and the document will be prepared for publication.

Human Resources (HR) Representatives will provide a range of technical services, training and consultation, as appropriate, to assure that the job announcement, recruitment activities and screening/selection process, criteria, forms and documentation comply with applicable current laws and regulations, as well as District policies and procedures. The HR Representative shall attend all meetings of the Search Committee.

ADMINISTRATIVE PROCEDURES

3. A summary of the position and description of the primary duties and responsibilities.
4. Additional, job-related skills and qualifications such as:
 - Additional degrees, licenses or certificates

 - Specific experience
 - Other job-related knowledge, skills, and abilities as appropriate
5. Standard job announcements shall include:

 - Application Closing Date or Review Date
 - Minimum Qualifications
 - List of Application Materials
 - Search Procedures
 - Summary of Benefits

6. All job announcements shall contain a statement in substantially the following form:

ADMINISTRATIVE PROCEDURES

III. RECRUITMENT

Administrative positions will be open to accept applications and advertised for a period of at least four weeks. Managerial positions will be open for a period of at least two weeks. For hard-to-recruit-for positions, an “Open Until Filled” option may be requested for consideration by the Office of Human Resources. In such instances, the job announcement will indicate a priority application review date. The District reserves the right to modify the recruitment period pending business necessity or special circumstances.

If a closing date is utilized, an extension may be approved by the EEO Officer (or designee), if it is determined by the Committee Chair that an adequate pool was not achieved. Inadequate in this instance is defined as an insufficient number of applications to allow for a competitive process and/or insufficient breadth and depth of experience, or the pool is not diverse. The District reserves the right to open, extend, or suspend the recruitment of a position at any time during the search process.

Following the review and approval process, the publication of the job announcement will be completed in order to take advantage of job fairs and conferences that enhance the District’s recruitment efforts. Where and when advertising is placed will depend on several factors, including resources available, lead time required for each publication, time constraints with the District, past experience within the professional area, and past experience with the advertising type. The requirement of open positions shall apply to all full-time and part-time openings, and recruitment for full-time educational and classified administrative positions shall be at least statewide and at a minimum shall include listing in the California Community Colleges Equal Employment Opportunity Registry and posting job announcements with the Registry (Title 5 regulations, section 53021 (a)).

Administrators, faculty, and staff are encouraged to use their professional networks to advertise open positions. The job announcement will be posted on the District’s website and announced to all District employees. The recruitment plan will include multiple national and local job boards designed to reach both the general population and persons from under-represented groups, print media, list-serves, the Employment Development Department, and websites such as Craigslist.

Additional advertising resources for specific outreach in a professional area may be requested by the committee and will be decided in consultation with the Office of Human Resources and the Committee Chair, depending on available resources, time constraints, and need, with the ultimate goal being to develop a comprehensive recruitment plan which will ensure an adequate pool of well-qualified applicants.

Interview questions and skill demonstrations should be job-related, based on the required knowledge, skills and abilities, unbiased, and should have the following characteristics:

1. Be open-ended in order to prompt full and complete responses from the candidate.
2. When appropriate, include pre-determined “key response elements” that can be used by the Search Committee to evaluate the quality of the candidate’s responses. “Key response elements” are lists of possible responses that the Search Committee can listen for in order to guide their ratings and documentation.

VI. CLOSE OF THE RECRUITMENT PROCESS

A. Application Review

At the close of the recruitment, the Office of Human Resources will conduct a review of the application materials received to ensure all required documents have been submitted. Only complete application materials will be released to the Committee Chair and EEO Representative.

B. Minimum Qualifications Review

The Committee Chair and EEO Representative will have responsibility to review the applications for the minimum qualifications. Applicants whose materials do not meet the minimum qualification requirement shall not be released to the Search Committee for consideration. Human Resources shall provide training for the screening of minimum qualifications. The Office of Human Resources shall notify all applicants with incomplete applications and those who did not meet minimum qualifications of their status.

interview shall be given sufficient notice to prepare for the interview. The applicants not selected for an interview also shall be notified.

Search Committee members are discouraged from printing application materials. Any printed materials, including rating sheets, must be collected by the HR Representative who serves as the custodian of records.

Internal Applicants

Care should be taken to notify internal candidates immediately by phone, or in person, by the Chair or the Office of Human Resources.

VIII. FIRST LEVEL INTERVIEWS

A. Committee Interviews

The purpose of the First Level Interview is to evaluate the professional competence, technical proficiency, sensitivity to ethnic diversity, and where appropriate, community college issues, professional activities, and other characteristics of the candidates as stated in the position announcement.

All candidates must sign a District waiver form authorizing and consenting to the release of information by current and previous employers to Monterey Peninsula College for the purpose of checking references to verify suitability for employment.

Each Search Committee member shall document the quality of the candidates' responses and assign a score based on the value determined by the Committee for each question. Assessments and presentations may be assigned a higher point value.

All pre-determined interview questions and skill demonstrations with any key response elements and other screening components of the search process should be directly related to the required and desirable knowledge, skills, and abilities of the job, as listed in the job announcement.

The same set of pre-determined interview questions and skill demonstrations shall be used to evaluate each candidate. The Committee may ask appropriate follow-up questions to clarify a candidate's response to a question, or may ask job-related questions about information contained in the application materials. However, Committee members should assure that all candidates are provided an equal opportunity for clarification and elaboration on matters related to their background and/or responses to questions. Committee members should also be mindful of any time constraints allowing the candidate the opportunity to answer all the questions within the identified interview time period.

ADMINISTRATIVE PROCEDURES

All members of the Search Committee shall be present during all of the interviews. If a Committee member is unavoidably absent or detained, the remaining Committee members may proceed without that member for the remainder of the process. Whenever that absence disrupts the balance of the Search Committee membership, the Chair and EEO Officer (or designee) will decide on a course of action. The course of action decided upon should be documented and included in the application materials at the conclusion of the hiring process.

B. Selection of Finalists

Following the conclusion of the interviews, the Search Committee members shall independently complete their scoring for each candidate. The HR Representative must be present for this meeting and will record the results of all members' scores. The Search Committee will identify and recommend candidates as finalists who most closely meet the selection criteria, who are well qualified in the opinion of the Committee and who would be most likely to be successful, if selected for the position. The Search Committee should be encouraged to engage in a full, frank, and complete discussion about the candidates.

Several factors are to be considered by the Committee in identifying and recommending candidates who will be forwarded as finalists for a Second Level Interview. In the case of candidates new to the professional area, the Committee shall consider the candidate's potential to develop professional competence and skills. The recommendation should be based on a combination of the information contained in the candidate's application materials, the interview performance, and results of the skill demonstration or other pre-determined, job-related Committee assessment tool. Factors such as the following shall be considered:

- demonstrated professional competence;
- scope and quality of professionalism;
- experience and skills related to the position;
- demonstrated skill and preparation to work in a multicultural, multi-lingual educational environment, and sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation; and ethnic backgrounds of community college students; and
- potential for development.

The names of the finalists shall be recommended unranked for Second Level Interviews, however, Committee members may recommend that specific areas of a candidate's qualifications be further examined. If only one candidate is deemed acceptable as a finalist, the Committee will submit its reasons in writing and forward them to the next level Administrator and EEO Officer, who will review the screening process with the Search Committee Chair and EEO Representative.

ADMINISTRATIVE PROCEDURES

C. Interview Documentation

An interview and skills demonstration rating form will be completed and signed by each member of the Search Committee in order to document the quality of each candidate's responses. At the conclusion of the interviews and skill demonstrations, the HR Representative shall compile all of the rating forms, Committee member notes, and other written documentation of the process into a final and confidential Committee record that will be sealed and maintained in the Office of Human Resources for a period of three (3) years as required by law.

Internal Candidates

Care should be taken to notify internal candidates immediately by phone or in person by the Chair or the Office of Human Resources.

D. Non-Selection

If no selection is made following the search process, the Superintendent/President, with input from the Chair and EEO Officer, may determine to extend or re-open the recruitment. Extended or re-opened searches are those that have proceeded to the point of Search Committee deliberations. Under these circumstances, the decision to re-open a search signifies that the Search Committee found an insufficient number of applications to allow for a competitive process and/or insufficient breadth and depth of experience exists. Re-opened searches requires that the Committee Chair consult with the EEO Officer (or designee) and shall be given careful consideration.

IX. REFERENCES AND SECOND LEVEL INTERVIEWS

A. Reference Checks

Reference checks for finalists will be conducted by the next level administrator or designee. Reference checks may be conducted any time following the recommendation of finalists by the Search Committee. In the event reference checks reveal a candidate's unsuitability or inability to perform the duties and responsibilities of the position, the candidate may not be invited to Second Level Interviews.

B. Second Level Interviews

The Office of Human Resources shall make the arrangements to schedule the Second Level Interviews with the next level Administrator. Interviews should be scheduled within a reasonable time frame after the finalists have been selected by the Search Committee.

Notification shall be by phone, or in person, and care should be taken to notify the candidates as soon as possible that their status at the Second Level has been confirmed. The HR Representative shall be responsible for notifying all candidates of their statuses.

ADMINISTRATIVE PROCEDURES

Participants of the Second Level Interview may consist of the immediate supervisor, next level Administrator, Vice President of the area and/or Superintendent/President. The need for additional individuals to participate in the Second Interview shall be determined by the Superintendent/President, with consideration given to appropriate representation. Names of committee members and any supporting documentation shall be returned to the Office of Human Resources.

Individuals participating in Second Level Interviews are required to be trained in EEO laws and regulations and to attend all Second Level Interviews.

Second Level Interviews may include campus tours, forums, and meetings with management and other groups appropriate to the position, and upon approval of the Superintendent/President and EEO Officer.

C. Wrap-Up Meeting

Following the interviews, the members—or a representative—of the Second Level Interview Committee shall meet with members of the Search Committee. At a minimum, this shall include the Chair and EEO Officer. The purpose of the meeting is to allow the Search Committee to share any pertinent information from the interview process with the Second Level Committee members. The HR Representative shall be present at this meeting.

X. INTERNAL RECRUITMENTS FOR INTERIM ASSIGNMENTS

Requests for (per Title 5 regulation section 53021(b)(1) “in-house or promotional only” recruitment shall not be used to fill any new vacancy described in in section 53021 (a), except when the position is being filled on an interim basis for the minimum time necessary to allow for full and open recruitment. No interim appointment or series of interim appointments may exceed two years in duration.

Where in-house or promotional only recruitment is utilized to fill a position on an interim basis pursuant to Title 5 regulation section 53021(b)(1), all District employees shall be afforded the opportunity to apply.

The in-house recruitment for an interim administrator or manager shall be approved by the Superintendent/President. The recruitment, search process, and committee composition may be modified and accelerated by the Committee Chair and EEO Officer, with approval from the Superintendent/President.

ADMINISTRATIVE PROCEDURES

XI. APPROVAL PROCESS

The Superintendent/President (or designee) makes the final hiring decision and notifies the Office of Human Resources for preparation for Governing Board approval and to begin the on-boarding process. The next level Administrator or Superintendent/President or designee shall contact the candidates who were not selected.

The employment of the candidate is not final until action is taken by the Governing Board at an announced Board Meeting.
