

GOVERNING BOARD POLICIES

BP 2220 Committees of the Governing Board

The Governing Board may by action establish committees that it determines are necessary to assist the Governing Board in its responsibilities. Any committee established by Governing Board action shall comply with the requirements of the Brown Act and with policies regarding open meetings.

Governing Board committees that are composed solely of less than a quorum of members of the Governing Board that are advisory are not required to comply with the Brown Act, or with policies regarding open meetings, unless they are standing committees.

Governing Board committees that are only advisory have no authority or power to act on behalf of the Governing Board. Findings or recommendations shall be reported to the Governing Board for consideration.

The Governing Board has established the following standing committees:

- Board Policies Subcommittee – Acts in an advisory role to the Board by reviewing policies and administrative procedures prior to Board consideration and adoption.
- Citizens’ Bond Oversight Committee – Established pursuant to the requirements of Proposition 39 to inform the public about the expenditure of bond proceeds, monitor bond-related expenditures to ensure compliance with Proposition 39 regulations, and provide an annual report summarizing the committee’s proceedings and activities
