Progress & Success

Process & Schedule

We will evaluate our Student Equity efforts annually as part of both the Student Equity and Achievement Program Report and the college wide Annual Program Review Update process. Using annual updates to our Student Equity data dashboards, we will develop an annual report each fall that identifies progress toward each goal, including positive progress, widening gaps,
and static numbers. Additionally, all SEA Program funded projects are required to partner with the Planning, Research, and Institutional Effectiveness Office to identify methods and subsequently conduct an evaluation of the effectiveness of their intervention. This information will be shared with the Student Success Committee, which provides direction for focusing our annual resources and efforts, and other participatory governance groups on campus to help drive campus-wide discussions and planning regarding student equity efforts and practices.

**Success Criteria**

The overall coordination of the Student Equity Plan will be facilitated by the Student Success Committee, a college-wide operational committee provides leadership for the planning, implementation, and evaluation of the College's student success efforts. Membership of this committee is composed of the Academic Senate Representative At-Large; Access Resource Center Coordinator; Classified Representative; Counseling Department Chair; Dean of Instruction - Liberal Arts; Dean of Instruction - STEM, Dean of Student Services; Dean of Planning, Research, and Institutional Effectiveness; Director of Admissions and Records; Director of Information Systems; Director of Institutional Research; Director of Student Financial Services; Director of Student Success and Equity; English as a Second Language Department Representative; English Department Representative; EOPS Coordinator, Foster Youth Liaison; Institutional Research Representative; Math Department Representative; Student Activities Coordinator; two Student Representatives; TRIO SSS Coordinator; and Veterans Resource Center Representative. The College is committed to collaborative efforts and this group ensures that partnering between existing programs (Veterans Resource Center, Catalyst Grant efforts, EOPS/CARE/CalWORKS, Title V-HSI, STEM, Academic Senate, Academic Affairs, Student Activities, and Guided Pathways occurs. Through the efforts of a Guided Pathways work group on integrated planning, the Planning, Research, and Institutional Effectiveness Committee, and it's participatory governance process, the College regularly engages in ongoing dialogue focused on ensuring student success and continuous improvement of student learning. The Director of Student Success and Equity is one of several members present on these committees that ensures alignment of campus wide efforts with the goals and activities in the Student Equity Plan.
