Special Note to Parents Regarding Right to Access Student Records

Under Section 49061 of the Education Code, parents of community college students do not have a right of access to their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, a student's college record and transcript will only be released upon the student's request.

PARENT / LEGAL GUARDIAN AND STUDENT ACKNOWLEDGEMENT

It is imperative that parents/legal guardians and their minor children understand that, as students, they are entering a college environment that carries with it certain possible scenarios, not all of which can be anticipated. The average age of the Monterey Peninsula College student has increased and the student body has become increasingly diverse in all respects. The atmosphere of classes may frequently reflect this diverse adult population.

Parent / legal guardian must acknowledge and initial the following:

- _____ All college coursework and grades become a permanent part of the student's official college academic history and transcript. These grades will not be changed or erased.
- _____ Poor grades can have a far reaching effect, future admission to college or university of choice, eligibility for financial aid, etc.
- _____ Student must abide by the Monterey Peninsula College Standards of Conduct and are subject to the student disciplinary procedures as stated in the College catalog. All disciplinary incidents become a part of the student's personal history.
- _____ Student is expected to meet all deadlines, classes must be dropped within the stated deadline in the Schedule of Classes, grade options selected, assignments turned in on time, etc.
- _____ Attendance is required, but not monitored. No one will call if the student misses class.
- _____ Instructors cannot inform parents when classes are canceled at the last minute or when the class ends prior to the appointed time. Instructors cannot sit with a child while he/she waits to be picked up.
- _____ Courses may include frank discussions of sensitive topics.
- _____ Audio-visual presentations may be graphic in their content.
- _____ Student may be exposed to vulgar language outside of the classroom.
- _____ Student may access pregnancy and HIV information and condoms through Student Health Services.
- _____ Group work, field trips, and/or class presentations may be expected in the class. If required, these activities and assignments will not be modified to accommodate minors.

- _____ Student is responsible for being aware of all fees. Any fee disputes must be handled within the semester/session in which the course was held.

These precautions are not meant to create undue concern for parents or minor students, only to serve as an advisory to allow you to manage your particular situation so the minor will have a positive educational experience at Monterey Peninsula College.

I certify that I have read and understand the listed responsibilities and expectations listed for a dual enrolled student attending Monterey Peninsula College and request authorization to enroll in the courses listed on the front of this form:
