**Does Position act as an entry point for the college? Should it be bilingual?**

This position provides critical day to day upkeep in cleanliness which contributes to the overall image of the College, impacting both the physical grounds and the instructional environment of the classroom. This position has very little direct interaction with the public and therefore possessing bilingual skills would not be considered as necessary.

**What would happen if this position weren't approved?** The remaining custodial staff would have an even larger work load and would be further burdened whenever illness, or earned vacation time is used. Classrooms and bathrooms if not cleaned would deteriorate, presenting a poor image to the public, the community, the staff and students.
